SKATEBOARDING

Fall & Winter 2021

Orange apple

Designed by Jeroen Blok

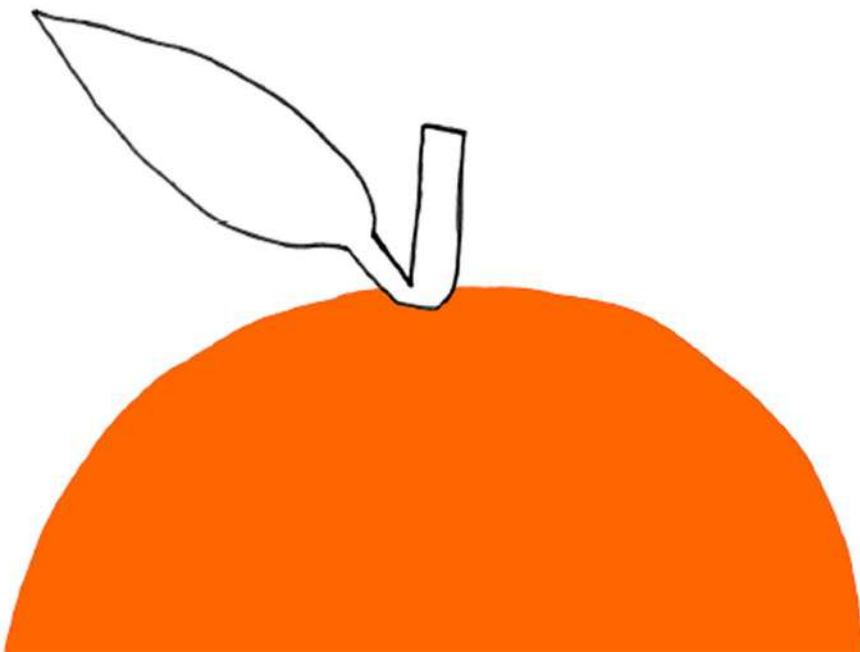

Jeroen Blok the founder and driving force behind Gentlemens skateboards is also an artist, illustrator and photographer. He regularly makes prints for other brands. The prints are made by hand by drawing or by using collage techniques. He uses images from old black and white photo albums. Layer upon layer he cuts and pastes these to create depth and a story. This is the case with this Super Orange.
